ACCREDITATION

The Christian Campus - Implementing Team Impact Christian University who are accredited by Theological Accreditation International (T.A.I.).

TAI is a non-governmental accreditation, extended exclusively to private, Christian institutions upon inspection and approval of their programs, operations, and integrity.

T.A.I is one of the largest religious accreditation agencies world-wide and accredits Christian Universities, Theological Seminaries and Bible Schools in over 30 nations.

The purpose of accreditation is to:

- certify that an institution has met the established standards of excellence
- assist prospective students in identifying reputable institutions, which offer degree programs that will meet their needs and goals
- allow institutions to evaluate the acceptability of transfer credits into their own curricula programs

Accreditations is private, voluntary, non-governmental peer-review process that reviews the educational quality of an institution or program. In the United States, accreditation is the primary means of assuring educational quality. Accreditation status confirms that an institution has voluntarily undergone a comprehensive self-study and peer examination that demonstrates the institution meet standards of accreditation.

To receive accreditation, the institution must demonstrate the reader has established educational goals, offers formal, organised learning experiences and services that enables students to meet these stated goals and that students and graduates have benefited from the learning experiences provided. Furthermore, accreditation assures that an institution operates on a sound financial basis, has approved programs of study, qualified instructors, adequate facilities and equipment and engages in continual improvement through self evaluation and planning and promotes its programs truthfully.

A degree is only valid if it is properly granted by an entity that has the legal authority to do so. The authorisation of a degree-granting entities is a governmental function in the United States. Applying for state authorisation and meeting state standards is the way that United States degree-granting institutions obtain their authority to issues degrees and operate under the legal authority given to them by states governments. State authorisation is the normal method to which degree-granting colleges are established.

Degree-granting authorisation cannot be conferred by an accrediting body. Accreditation agencies are themselves private membership associations and relied upon by many governmental entities to perform certain qualitative and evaluative functions. However, they do not themselves have the authority to issue degrees nor have the power to authorise the existence of a college or a degree program.

Governmental-recognized accreditation is not necessary for the religious vocations in which we are equipping our students and people working in ministry positions do not need a government-accredited degree.

Government-recognized accreditation is not necessary for the religious vocations in which we are equipping our students and people working in ministry positions do not need a government-accredited degree.

Disclaimer Statement

Our courses meet the requirements established by many private, independent, and professional associations. Various regionally or nationally accredited Christian Universities, colleges and seminaries throughout the United States may accept transfer students, credits and degrees from Team Impact University.

Transferability of credits earned at Team Impact Christian University and transferred to another institution is at the discretion of the receiving institution.

All our Certificates, Diplomas, and Degrees are issued from our USA campus in Baton Rouge, Louisiana, USA where we are registered. We are legally authorized to issue Certificates, Diplomas, and Degrees by religious exemption in the state of Louisiana. All students outside of the USA are considered as online students of Team Impact Christian University and are registered at the Baton Rouge, USA campus as such. We have students from more than 30 nations and therefore cannot meet all the legal and/or accreditation requirements for each nation. Therefore, we are not able to set up a physical presence in each nation except in Baton Rouge, Louisiana, USA.

We do not prepare our students for secular or denominational services. We will seek to provide a sound theological standard from which our students may fulfil their divine purpose and calling. We are not responsible for any problems students may have with the higher education authorities in their own nations.

LIFE EXPERIENCE

All degrees at the Team Impact Christian University are earned degrees. This is achieved by mandatory coursework that must be completed.

Our courses are available to everyone who meets our entrance requirements. Our courses require comprehensive study and self-discipline for both online and part time studies.

Bible College transcripts do not always reflect real life experience. Team Impact Christian University recognizes life experience, which may have been gained through years of work, which is ministry, related.

Many people have served in ministry positions and have gained a lot of knowledge and experience in their fields, but do not have any formal certificate, Bible College, or degree. Life experience credits can give some of the recognition needed for this service in the work of the Lord.

This acceptance of life credits helps a potential student to accelerate their learning college experience and enabling them to earn a fully accredited degree. Applicants must have had more than five years in a recognized position in ministry.

No diplomas or degrees can be awarded based purely upon life-experience. Life experience credit cannot be given for an entire degree but is limited to a **maximum of 30 credit hours.**

Life experience which could include such things as books authored, mission trips, classes taught, outreach ministries, ministries within a church, etc., must be documented along with the years they occurred and submitted for evaluation.

CREDIT TRANSFERS

Team Impact Christian University can transfer all credits from accredited institutions such as colleges, seminaries, Christian universities, etc. Courses transferred must be equivalent in content and requirement to courses in the Team Impact Christian University catalogue.

The credits must be reported on an official transcript. No more than **60 credit hours** (including life credits) may be transferred.
